Waiting on the Bus

When waiting on the bus, stand at the nearest bus stop sign or near the side of the an intersection (if no sign is available). Make sure the bus driver can see you so you are not passed by. Always signal the driver that you wish to ride the bus. All O.U.T. buses are wheelchair accessible.

Riding the Bus

After boarding, move to the rear of the bus. Please make front seats available for elderly or disabled passengers. Please take your seat as quick as possible; this allows the driver to start moving and helps maintain the schedule. When walking on the bus, hold grab rails or seatbacks. Do not walk around while the bus is moving. Wait until the bus has stopped before you get out of your seat.

For the comfort of other passengers, no eating, drinking, smoking, or radios without earphones are permitted. Please use care when carrying larger items. Help keep the bus clean by keeping feet off of the seats and taking all trash with you.

If you find an item on the bus, please give it to the bus driver. If you leave an item on the bus, please call (662)-234-3540.

Please do not engage in conversation with the driver. His or her job requires that he or she fully concentrates on driving the bus.

Transfers

Transfers from one bus route to another within the same trip are free. When boarding the bus, inform the driver of your destination and that you would like to transfer to the next bus line at the appropriate transfer point.

Accessibility

All O.U.T. buses are ADA accessible with lifts. Paratransit service is also available for those who qualify; for more information contact O.U.T. at (662) 234-3540.

Exiting the Bus

Give the driver adequate notice that you want to exit the bus. Pull the bell cord at least one block before you want to get off the bus. After you exit, DO NOT cross the street in front of the bus. Stand away from the bus and wait until it has left before you cross the street.
