

The City of Oxford has been notified that the Mississippi Department of Transportation will be closing the Highway 6 crossover at Cannon Road (Brittany Woods Subdivision) and the next crossover immediately to the east on Friday, January 11th. This closing will be in effect for 8 weeks while work is finished on the Highway 6 bridges. During this time, motorists accessing Cannon Road from the west will need to detour to the next crossover approximately  $\frac{1}{2}$  mile to the east (as shown above) to access the east bound lanes of Highway 6. Traffic wishing to access the eastbound lanes of Highway 6 can do so by utilizing the crossover at Highway 6 /University Avenue/County 406. Extreme caution should be used while driving through this area. The public may contact the Mississippi Department of Transportation at 662-563-4541 with concerns or questions.
