MAYOR'S REPORT:

The board wishes to commend the many safety and emergency personnel and volunteers who worked so well together to help the people and businesses in the area harmed by the recent tornado. While the most severe damage was outside Oxford, many City workers were involved in the recovery effort. I have heard from several of them how well the County and City worked together, and I have also heard from them about the excellent job our County Emergency Coordinator, Jimmy Allgood, did. Over the past several years many people in this area have devoted thousands of man-hours to emergency planning, and one incident such as this demonstrates why it is so important.

Coach Howell is unable to attend tonight's meeting. The aldermen and I extend wishes of sympathy to Coach and his family upon the passing of his sister, Mrs. Romie Pennington. This concludes my report.

(f) Series 2008 Bonds, blank as to denominations, rate of interest, date of maturity and CUSIP number and sufficient in quantity in the judgment of the City to meet the reasonable transfer and reissuance needs on the Series 2008 Bonds, shall be printed and delivered to the Paying Agent in generally-accepted format, and held by the Paying Agent until needed for transfer or reissuance, whereupon the Paying Agent shall imprint the appropriate information as

to denomination, rate of interest, date of maturity and CUSIP number prior to the registration, authentication and delivery thereof to the transferee. Subject to the approval of the Governing Body, the Paying Agent is hereby authorized to have printed from time to time as necessary additional Series 2008 Bonds bearing the facsimile seal of the City and facsimile signatures of the Persons who were the officials of the Governing Body as of the date of original issue of the Series 2008 Bonds.

(g) (i) So long as any of the Series 2008 Bonds shall remain outstanding, the City shall maintain with the Paying Agent records for the registration and transfer of the Series 2008 Bonds. The Paying Agent is hereby appointed registrar for the Series 2008 Bonds, in which capacity the Paying Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any of the Series 2008 Bonds entitled to registration or transfer.

(ii) The City shall pay or reimburse the Paying Agent reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents and bond registrars, subject to agreement between the City and the Paying Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct or willful default of the Paying Agent, shall be made by the City on a case-by case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(iii) (1) A Paying Agent may at any time resign and be discharged of its duties and obligations as Paying Agent by giving at least sixty (60) days written notice to the City, and may be removed as Paying Agent at any time by resolution of the Governing Body delivered to the Paying Agent. Such resolution shall specify the date on which such removal shall take effect and the name and address of the successor Paying Agent, and shall be transmitted to the Paying Agent being removed within a reasonable time prior to the effective date thereof; provided, however, that no resignation or removal of a Paying Agent shall become effective until a successor Paying Agent has been appointed pursuant to this resolution.

(2) Upon receiving notice of the resignation of a Paying Agent, the City shall promptly appoint a successor Paying Agent by resolution of the Governing Body. Any appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent. If no successor Paying Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Paying Agent may petition any court of competent jurisdiction for the appointment of a successor Paying Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Paying Agent.

(3) In the event of a change of Paying Agents, the predecessor Paying Agent shall cease to be custodian of any funds held pursuant to this resolution in connection with its role as such Paying Agent, and the successor Paying Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all fees, advances and expenses of the retiring or removed Paying Agent shall be fully paid. Every predecessor Paying Agent shall deliver to its successor Paying Agent all records of account, registration records, lists of Registered Owners and all other records, documents and instruments relating to its duties as such Paying Agent.

(4) Any successor Paying Agent appointed under the provisions hereof shall be a banking corporation, trust company or national banking association having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and/or state regulatory authorities under the jurisdiction of which it falls.

(5) Every successor Paying Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Paying Agent and to the City an instrument in writing accepting such appointment hereunder, and thereupon such

successor Paying Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor.

(6) Should any transfer, assignment or instrument in writing be required by any successor Paying Agent from the City to more fully and certainly vest in such successor Paying Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Paying Agent, any such transfer, assignment and written instrument shall, on request, be executed, acknowledged and delivered by the City.

(7) The City will provide any successor Paying Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Series 2008 Bonds.

(8) All duties and obligations imposed hereby on a Paying Agent or successor Paying Agent shall terminate upon the accomplishment of all duties, obligations and responsibilities imposed by law or required to be performed by this resolution.

(iv) Any corporation or association into which a Paying Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Paying Agent hereunder and vested with all the powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the City or the successor Paying Agent, anything herein to the contrary notwithstanding, provided only that such successor Paying Agent shall be satisfactory to the City and eligible under the provisions of Section 6(g)(iii)(D) hereof.

SECTION 7. (a) Notwithstanding anything to the contrary in this resolution, so long as the Series 2008 Bonds are being held under a book-entry system, transfers of beneficial ownership of the Series 2008 Bonds will be affected pursuant to rules and procedures established by the Securities Depository. For the purposes of this resolution, "Securities Depository" shall mean a recognized securities depository (or its successor or substitute) selected by the City to act as the securities depository maintaining a book-entry transfer system for the Series 2008 Bonds.

(b) As long as a book-entry system is in effect for the Series 2008 Bonds, the Securities Depository Nominee will be recognized as the registered owner of the Series 2008 Bonds for the purposes of (1) paying the principal of or interest on such Series 2008 Bonds, (2) giving any notice permitted or required to be given to registered owners under this resolution, (3) registering the transfer of such Series 2008 Bonds, and (4) requesting any consent or other action to be taken by the registered owners of such Series 2008 Bonds, and for all other purposes whatsoever, and neither the City nor the Paying and Transfer Agent (as hereinafter defined) shall be affected by any notice to the contrary. For the purposes of this resolution, "Securities Depository Nominee" shall mean, with respect to the Series 2008 Bonds and as to any Securities Depository, such Securities Depository or the nominee of such Securities Depository in whose name the Series 2008 Bonds shall be registered on the registration books of the City maintained by the Paying and Transfer Agent during the time such Series 2008 Bonds are held under a book-entry system through such Securities Depository.

(c) Neither the City nor the Paying and Transfer Agent shall have any responsibility or obligation to any participant, any beneficial owner or any other person claiming a beneficial ownership in any Series 2008 Bonds which are registered to a Securities Depository Nominee under or through the Securities Depository with respect to any action taken by the Securities Depository as registered owner of such Series 2008 Bonds.

(d) The Paying and Transfer Agent shall pay all principal of and interest on the Series 2008 Bonds issued under a book-entry system, only to the Securities Depository, or the Securities Depository Nominee, as the case may be, for such Series 2008 Bonds, and all such payments shall be valid and effectual to fully satisfy and discharge the obligations with respect to the principal of and interest on such Series 2008 Bonds.

(e) In the event that the City determines that it is in the best interest of the City to discontinue the book-entry system of transfer for the Series 2008 Bonds, or that the interests of the beneficial owners of the Series 2008 Bonds may be adversely affected if the book-entry system is continued, then the City shall notify the Securities Depository and the Paying and Transfer Agent of such determination. In such event, the City shall execute and the Paying and Transfer Agent shall, pursuant to subsequent resolution of the City, authenticate, register and deliver physical certificates for the Series 2008 Bonds in exchange for the Series 2008 Bonds registered in the name of the Securities Depository Nominee. Such certificates shall be in fully registered form and transferable only upon the registration books of the City maintained by the Paying and Transfer Agent, by the registered owner thereof or by his attorney, duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Paying and Transfer Agent, duly executed by the registered owner or his duly authorized attorney in accordance with this resolution.

(f) In the event that the Securities Depository for the Series 2008 Bonds discontinues providing its services, the City shall either engage the services of another Securities Depository or deliver physical certificates in the manner described in subparagraph (e) above.

(g) In connection with any notice or other communication to be provided to the registered owners of the Series 2008 Bonds by the City or by the Paying and Transfer Agent with respect to any consent or other action to be taken by the registered owners, the City or the Paying and Transfer Agent, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository Nominee notice of such record date not less than fifteen (15) days in advance of such record date to the extent possible.

(h) The Series 2008 Bonds shall be issued initially under the book-entry system maintained by The Depository Trust Company, New York, New York ("DTC"), and shall be registered in the name of Cede & Co., as the initial Securities Depository Nominee for the Series 2008 Bonds. As long as the Series 2008 Bonds are maintained by DTC under its book-entry system, all payments with respect to the principal of and interest on Series 2008 Bonds and notices shall be made and given, respectively, to DTC.

(i) As long as the book-entry-only system is used for the Series 2008 Bonds, any notice of redemption or any other notices required to be given to registered owners will be given only to DTC. Any failure of DTC to advise any DTC Participant, or of any DTC Participant to notify any Indirect Participant, or of any DTC Participant or Indirect Participant to notify any Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Series 2008 Bonds called for redemption or of any other action premised on such notice. Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time. Beneficial Owners may desire to make arrangements with a DTC Participant or Indirect Participant so that all notices of redemption or other communications to DTC which affect such Beneficial Owners will be forwarded in writing by such DTC Participant or Indirect Participant.

Registered Owner:

Principal Amount:

The City of Oxford, Mississippi (the "City"), a body politic existing under the Constitution and laws of the State of Mississippi, acknowledges itself to owe and for value received, promises to pay in lawful money of the United States of America to the Registered Owner identified above, upon the presentation and surrender of this Bond, at the principal office of _____, _____, Mississippi, or its successor, as paying agent (the "Paying Agent") for the Combined Water and Sewer System Revenue Bonds, Series 2008, of the City (the "Bonds"), on the maturity date identified above, the principal amount identified above. Payment of the principal amount of this Bond shall be made to the Registered Owner hereof whose name shall appear in the registration records of the City maintained by the Paying Agent, which shall also serve as registrar and transfer agent, as of the 15th day of the calendar month preceding the maturity date hereof.

The City further promises to pay interest (calculated on the basis of a year of 360 days and twelve 30-day months) on such principal amount from the date of this Bond or from the most recent interest payment date to which interest has been paid at the rate of interest per annum set forth above semiannually on February 1 and August 1 of each year (each an "Interest Payment Date"), commencing February 1, 2009, until said principal sum is paid, to the Registered Owner hereof whose name shall appear in the registration records of the City maintained by the Paying Agent as of the 15th day of the calendar month preceding the applicable Interest Payment Date.

Payments of principal of and interest on this Bond shall be made by check or draft mailed on the Interest Payment Date to such Registered Owner at his address as it appears on such registration records. The Registered Owner hereof may change such address by written notice to the Paying Agent by certified mail, return receipt requested, or such other method as may be subsequently prescribed by the Paying Agent, such notice to be received by the Paying Agent not later than the 15th day of the calendar month preceding the applicable principal or Interest Payment Date.

This Bond is one of a series of Bonds of like date of original issue, tenor and effect, except as to denomination, number, rate of interest and date of maturity, issued in the aggregate authorized principal amount of Three Million Four Hundred Fifty Thousand Dollars (\$3,450,000) to raise money for the purpose of acquiring, constructing, enlarging, improving, repairing and/or extending the combined waterworks and sewage system of the City (the "System").

This Bond is issued under the authority of the Constitution and statutes of the State of Mississippi, including the provisions of Section 21-27-11 *et seq.*, Mississippi Code of 1972, as amended, and by the further authority of proceedings duly had by the Mayor and Board of

Aldermen of the City, including resolutions adopted on October 16, 2007, November 20, 2007, February 5, 2008 and February 19, 2008 (collectively, the "Bond Resolution").

The Bonds are secured by a lien on Net Revenues of the System and are payable solely from such Net Revenues and any other security pledged for the Bonds. The Bonds are not general obligations of the City and the taxing power of the City is not being pledged to the payments of the Bonds or interest thereon. The Bonds are being issued on parity with the City's \$1,500,000 (original principal amount) Water and Sewer System Revenue Bonds, Series 1996, dated September 1, 1996, the City's \$1,900,000 (original principal amount) Water and Sewage System Revenue Bonds, Series 2003, dated December 1, 2003, the City's \$1,800,000 (original principal amount) Combined Water and Sewer System Revenue Bonds, Series 2004, dated November 1, 2004, the City's \$3,400,000 (original principal amount) Combined Water and Sewer System Revenue Bonds, Series 2006, dated June 1, 2006, and the City's \$2,800,000 (original principal amount) Combined Water and Sewer System Revenue Bonds, Series 2007, dated June 1, 2007 (collectively, the "Prior Bonds").

THE BOND RESOLUTION PROVIDES THAT UNDER CERTAIN CIRCUMSTANCES, ADDITIONAL BONDS MAY BE ISSUED BY THE CITY ON PARITY WITH THE BONDS AND THE PRIOR BONDS AND SECURED BY A PARITY LIEN ON NET REVENUES OF THE SYSTEM AND PAYABLE RATABLY FROM SUCH NET REVENUES ALONG WITH THE BONDS AND THE PRIOR BONDS.

The Bonds are registered as to both principal and interest, and are to be issued or reissued in the denomination of \$5,000 each, or integral multiples thereof up to the amount of a single maturity.

The Bonds maturing in the years 2019 through 2028, inclusive, are subject to redemption prior to their respective maturities at the election of the City on or after February 1, 2018, either in whole on any date, or in part on any Interest Payment Date, (as selected by the City among maturities and by lot within each maturity) at the principal amount thereof, together with the interest accrued thereon to the date fixed for redemption and without premium.

At least thirty (30) days before the redemption date of any Bonds, the Clerk shall cause a notice of any such redemption, either in whole or in part, signed by the Clerk, (a) to be filed with the Paying Agent and (b) to be mailed, postage prepaid, to all Record Date Registered Owners at their addresses as they appear on the registration records herein provided for, but failure so to file or mail any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price, the place or places at which payment shall be made and, if less than all of the Bonds of any one maturity shall be called for redemption and the distinctive numbers and letters, if any, of such Bonds to the redeemed.

On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds so called for redemption shall become due and payable at the price provided for redemption of such Bonds on such date, and, if moneys for payment of such redemption price are held in a separate account by the Paying Agent for the Record Date Registered Owners of the Bonds to be redeemed, as provided in the Bond Resolution, interest on the Bond so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security under the Bond Resolution, and the Record Date Registered Owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

This Bond may be transferred or exchanged by the Registered Owner hereof in person or by his attorney duly authorized in writing at the principal office of the Paying Agent, but only in the manner, subject to the limitations in the Bond Resolution, and upon surrender and cancellation of this Bond. Upon such transfer or exchange, a new Bond or Bonds of like aggregate principal amount in authorized denominations of the same maturity will be issued.

The City and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

The principal of and interest on this Bond shall be payable solely from the gross Revenues derived from the operation of the System, subject to the prior payment of the reasonable and necessary expenses of operating and maintaining the System. The Bonds are secured by a lien

on Net Revenues of the System. This Bond does not constitute an indebtedness of the City within the meaning of any constitutional or statutory restriction, limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal or interest.

The City covenants and agrees that it will perform all duties required by law and by the Bond Resolution; that it will apply the proceeds of this Bond to the purposes above set forth; that, as long as this Bond is outstanding, it will operate and maintain the System; that it will fix and maintain rates and make and collect charges for the services of the System, without regard to the user thereof, sufficient to provide for the operation and maintenance of the System in good repair and working order, to provide for the payment of the principal of and interest on this Bond as same shall mature and accrue, and to provide for a 2008 Debt Service Reserve Fund, a 2008 Depreciation Fund and a 2008 Contingent Fund, all as set forth in the Bond Resolution; and that such an amount of the gross Revenues of the System remaining after paying the expenses of operating and maintaining the System as will maintain the payment of the principal and interest on this Bond, as the same shall mature and accrue, is hereby irrevocably pledged to said purpose.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that all conditions, acts and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, in order to make the same a legal and binding obligation of the City, according to the terms hereof, do exist, have happened and have been performed in regular and due time, form and manner as required by law.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Bond Resolution until the certificate of registration and authentication hereon shall have been signed by the Paying Agent.

Terms capitalized herein shall have the same meaning as in the Bond Resolution, unless otherwise expressly provided herein.

IN WITNESS WHEREOF, the City has caused this Bond to be executed in its name by the manual or facsimile signature of the Mayor of the City, countersigned by the manual or facsimile signature of the Clerk of the City, under the manual or facsimile seal of the City, which said manual or facsimile signatures and seal said officials adopt as and for their own proper signatures and seal, all as of the 1st day of February, 2008.

SECTION 9. In case any Series 2008 Bond shall become mutilated or be stolen, destroyed or lost, the City shall, if not then prohibited by law, cause to be authenticated and delivered a new Series 2008 Bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Series 2008 Bond, or in lieu of and in substitution for such Series 2008 Bond stolen, destroyed or lost, upon the Registered Owner's paying the reasonable expenses and charges of the City in connection therewith, and in case of a Series 2008 Bond stolen, destroyed or lost, his filing with the City or Paying Agent evidence satisfactory to them that such Series 2008 Bond was stolen, destroyed or lost, and of his ownership thereof, and furnishing the City or Paying Agent with such security or indemnity as may be required by law or by them to save each of them harmless from all risks, however remote.

SECTION 10. Only such of the Series 2008 Bonds as shall have endorsed thereon a certificate of registration and authentication in substantially the form hereinabove set forth in Section 8, duly executed by the Paying Agent, shall be entitled to the rights, benefits and security of this resolution. No such Series 2008 Bond shall be valid or obligatory for any purpose unless and until such certificate of registration and authentication shall have been duly executed by the Paying Agent, which executed certificate shall be conclusive evidence of registration, authentication and delivery under this resolution. The Paying Agent's certificate of registration and authentication on any such Series 2008 Bond shall be deemed to have been duly executed if signed by an authorized officer of the Paying Agent, but it shall not be necessary that the same officer sign said certificate on all of the Series 2008 Bonds that may be issued hereunder at any one time.

SECTION 11. (a) In the event the Purchaser shall fail to designate the names, addresses and social security or tax identification numbers of the Registered Owners of the Series 2008 Bonds within thirty (30) days of the date of sale, or at such other earlier date as may be designated by the City, one Series 2008 Bond registered in the name of the Purchaser may be issued in the full amount for each maturity. Ownership of the Series 2008 Bonds shall be in the Purchaser until the initial Registered Owner has made timely payment and, upon request of the Purchaser within a reasonable time of the initial delivery of the Series 2008 Bonds, the Paying Agent shall re-register any such Series 2008 Bond upon its records in the name of the Registered Owner to be designated by the Purchaser in the event timely payment has not been made by the initial Registered Owner.

(b) Except as hereinabove provided, the Person in whose name any of the Series 2008 Bonds shall be registered in the records of the City maintained by the Paying Agent may be deemed the absolute owner thereof for all purposes, and payment of or on account of the principal of or interest on any of the Series 2008 Bonds shall be made only to or upon the order of the Registered Owner thereof, or his legal representative, but such registration may be changed as hereinafter provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon any of the Series 2008 Bonds to the extent of the sum or sums so paid.

SECTION 12. (a) The Series 2008 Bonds shall be transferable only in the records of the City as maintained by the Paying Agent, upon surrender thereof at the office of the Paying Agent, together with a written instrument of transfer satisfactory to the Paying Agent duly executed by the Registered Owner or his or its attorney duly authorized in writing. Upon the transfer of any of the Series 2008 Bonds, the City, acting through the Paying Agent, shall issue in the name of the transferee a new Series 2008 Bond or Series 2008 Bonds of the same aggregate principal amount and maturity and rate of interest as the surrendered Series 2008 Bond or Series 2008 Bonds.

(b) In all cases in which the privilege of transferring any of the Series 2008 Bonds is exercised, the Paying Agent shall authenticate and deliver said Series 2008 Bonds in accordance with the provisions of this resolution.

SECTION 13. (a) Payment of principal on the Series 2008 Bonds shall be made, upon presentation and surrender thereof at the principal office of the Paying Agent, to the Record Date Registered Owner thereof whose name shall appear in the registration records of the City maintained by the Paying Agent as of the Record Date.

(b) Payment of each installment of interest on the Series 2008 Bonds shall be made to the Record Date Registered Owner thereof. Interest shall be payable in the aforesaid manner irrespective of any transfer or exchange of such Series 2008 Bond subsequent to the Record Date and prior to the due date of the interest.

(c) Principal of and interest on the Series 2008 Bonds shall be paid by check or draft mailed on the Interest Payment Date to Registered Owners at the addresses appearing in the registration records of the Paying Agent. Any such address may be changed by written notice from the Registered Owner to the Paying Agent by certified mail, return receipt requested, or such other method as may be subsequently prescribed by the Paying Agent, such notice to be received by the applicable principal or Interest Payment Date to be effective as of such date.

SECTION 14. The Series 2008 Bonds are secured by a lien on Net Revenues of the System and are payable from Net Revenues and any other security pledged for the Series 2008 Bonds. The principal of and interest on the Series 2008 Bonds shall be payable solely from gross Revenues, and shall be subject to the prior payment of the reasonable and necessary expense of operating and maintaining the System. The Series 2008 Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory restriction, limitation or provision, and the taxing power of the City is not pledged to the payment of the Series 2008 Bonds, either as to principal or interest. The Series 2008 Bonds are issued on parity with the Prior Bonds and satisfy the requirements for the issuance of Additional Bonds under the Prior Resolutions.

SECTION 15. From and after the issuance and delivery of the Series 2008 Bonds, the System shall be operated on a Fiscal Year basis, commencing on the first day of October, and ending on the last day of September in the following year; provided, however, that the Fiscal Year may be changed upon written notice to the Registered Owners.

SECTION 16. All Revenues shall be set aside as collected and shall be deposited into the Revenue Fund, which fund was created pursuant to the 1996 Bond Resolution. Moneys in said fund shall not be subject to lien or attachment by any creditor of the City and shall be set aside for, allocated to and deposited by the Clerk to the extent available in the following order of preference in the following separate and special funds, hereby created, without further direction of or action by the Governing Body or other authority of the City:

(a) On the first business day of each month, commencing in the first month after delivery of the Series 2008 Bonds, there shall be deposited into the Operation and Maintenance Fund, which fund was created pursuant to the 1996 Bond Resolution, an amount which will provide for the payment of the Current Expenses to be paid during such calendar month, and, in the event that the aggregate amounts deposited into such fund pursuant to the Resolution during the preceding months shall have been insufficient to pay all such expenses, an amount sufficient to repay such deficiencies.

(b) There is hereby created the 2008 Bond and Interest Fund and two separate subaccounts therein as follows:

(i) On the first business day of each month, commencing in the first month after the delivery of the Series 2008 Bonds, there shall be deposited into a subaccount in the 2008 Bond and Interest Fund designated 2008 Current Debt Service Account which account is hereby created an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the Series 2008 Bonds is due. Accrued interest on the Series 2008 Bonds received from the Purchaser shall be deposited into the 2008 Current Debt Service Account of the 2008 Bond and Interest Fund at Closing.

(ii) Provided, that in addition to the moneys hereby required to be paid into the 2008 Current Debt Service Account of the 2008 Bond and Interest Fund, the 2008 Debt Service Reserve Fund which fund is hereby created and shall be maintained as a subaccount in said fund in order to meet any deficiency therein in future years. In order to fully fund the 2008 Debt Service Reserve Fund, the Clerk shall immediately upon delivery of the Series 2008 Bonds deposit an amount which will be equal to the Debt Service Reserve Fund Requirement, at which amount the 2008 Debt Service Reserve Fund shall thereafter be maintained by such future payments as may be necessary for that purpose. Notwithstanding any other provision contained herein, upon the determination of any deficiency in the total amount on deposit in the 2008 Debt Service Reserve Fund, the full amount of such deficiency shall be fully funded within one (1) year of such determination. The 2008 Debt Service Reserve Fund shall be used only to pay maturing principal and accruing interest, or both, on the Series 2008 Bonds and only whenever and to the extent that funds otherwise available in the 2008 Current Debt Service Account are insufficient for that purpose. No funds paid into the 2008 Debt Service Reserve Fund shall be used to prepay the principal unless such prepayment is for the entire balance of the principal amount of the Series 2008 Bonds. If the amount on deposit in the 2008 Debt Service Reserve Fund as valued on the last day of any Bond Year is more than the Debt Service Reserve Fund Requirement, the amount of such excess shall be transferred to the 2008 Current Debt Service Account.

(c) In order to fully fund the 2008 Depreciation Fund which is hereby created, the Clerk shall immediately upon delivery of the Series 2008 Bonds deposit the sum of Five Thousand Dollars (\$5,000) from the proceeds of the Series 2008 Bonds, which sum shall thereafter be maintained in such fund by such future payments as may be necessary for that purpose. Notwithstanding any other provision contained herein, upon the determination of any deficiency in the total amount on deposit in the 2008 Depreciation Fund the full amount of such deficiency shall be fully funded within one (1) year of such determination. The 2008 Depreciation Fund shall be used for the purpose of paying the cost of replacing such parts of the System as may need replacement in order to keep the System operating in an economical and efficient manner upon written certification by the Consulting Engineers to the Governing Body certifying the necessity for such expenditure and concurring in the necessity for such expenditure from the 2008 Depreciation Fund; provided, however, that in the event the funds otherwise established for the payment of the principal of and interest on the Series 2008 Bonds should be insufficient for said purpose, then and in that event, to the extent of any such insufficiency, the amount necessary to pay accruing interest and to provide for the payment of the principal as set forth in subparagraph (b) of this section shall be drawn from the 2008 Depreciation Fund and shall be used, together with funds otherwise available, to pay such accruing interest and to provide for the payment of principal as set forth in subparagraph (b) of this section.

(d) In order to fully fund the 2008 Contingent Fund, the Clerk shall immediately upon delivery of the Series 2008 Bonds deposit the sum of Five Thousand Dollars (\$5,000) from the

proceeds of the Series 2008 Bonds, which sum shall thereafter be maintained in such fund by such future payments as may be necessary for that purpose. Notwithstanding any other provision contained herein, upon the determination of any deficiency in the total amount on deposit in the 2008 Contingent Fund the full amount of such deficiency shall be fully funded within one (1) year of such determination. The 2008 Contingent Fund shall be used for the purpose of paying the cost of unforeseen contingencies arising in the operation and maintenance of the System, including the construction of reasonable and proper improvements, betterments, and extensions thereto upon written certification by the Consulting Engineers to the Governing Body certifying the necessity for such expenditure and concurring in the necessity for such expenditure from the 2008 Contingent Fund; provided, however, that in the event the funds otherwise established by the Resolution for the payment of the principal of and interest on the Series 2008 Bonds should be insufficient for said purpose, then and in that event, to the extent of any such insufficiency, the amount necessary to pay accruing interest and to provide for the payment of the principal as set forth in subparagraph (b) of this section shall be drawn from the 2008 Contingent Fund and shall be used, together with funds otherwise available, to pay such accruing interest and to provide for the payment of principal as set forth in subparagraph (b) of this section.

The moneys in the foregoing funds shall be held separate and apart from all other funds of the City and shall be applied in the manner provided, and, except for moneys in the Operation and Maintenance Fund, pending such application, shall be subject to a lien and charge in favor and for the security of Registered Owners of the Series 2008 Bonds until paid out or transferred as herein provided. Any surplus Revenues remaining after all deposits and transfers required or allowed by the Resolution shall be used solely for purposes pertaining to the System or as otherwise allowed by the Act.

Any Revenues of the System collected prior to the Closing by the City may be used by the City to fund all or a portion of the foregoing funds and accounts.

SECTION 17. If Revenues shall be insufficient at any time to make the payments or deposits required by Section 16 hereof, the deficiency shall be made good by additional payments to be made out of the first available Revenues received during any succeeding month or months. Whenever and as long as sums actually on deposit in the 2008 Bond and Interest Fund, including the 2008 Debt Service Reserve Fund therein, shall equal the outstanding principal amount of the Series 2008 Bonds, plus the amount of all interest due thereon until the respective maturity dates of the Series 2008 Bonds, no further deposits need be made into said funds.

SECTION 18. All sums in the funds referred to in Section 16 hereof shall be kept on deposit in bank accounts separate from all other bank accounts of the City in a bank or banks having Federal Deposit Insurance Corporation insurance of its accounts and at all times shall be continuously secured as provided by the laws of the State for other funds of the City, or, in the discretion of the Governing Body, may be invested as directed in this resolution in investments authorized under the laws of the State as may now be or hereafter become applicable. Such investments shall mature or be redeemable prior to the time the funds so invested will be needed for expenditure. Any interest or other income received from investments shall accrue to and be deposited in the fund which generated such income or to which such income is attributable. Provided, however, that the Governing Body shall transfer to the 2008 Current Debt Service Account in the 2008 Bond and Interest Fund any such income in excess of the aggregate amount required by this resolution to be maintained in any other fund or account.

SECTION 19. The City covenants and agrees with the Registered Owners that it will perform, or cause to be performed, all duties with respect to the operation and maintenance of the System and with respect to the fixing, maintaining and collecting of the rates, fees and charges for the services thereof, the establishing of the funds herein referred to, and all other matters and things required by law and by this resolution, and that it will do or cause to be done, in apt time and season, each and every official act necessary for the payment of the principal of and the interest on the Series 2008 Bonds as the same shall mature and accrue.

SECTION 20. The City further covenants with the Registered Owners as follows:

(a) As long as any of the Series 2008 Bonds are outstanding and unpaid, it will operate and maintain the System, or cause the System to be operated and maintained.

(b) As long as any of the Series 2008 Bonds are outstanding and unpaid, it will fix and maintain rates and make and collect charges for the use and service of the System which will at all times be sufficient: (i) to pay the Current Expenses of the System, (ii) to provide one hundred ten per centum (110%) of the amount of the maximum Principal and Interest Requirements for the current Bond Year on account of the Bonds then outstanding and (iii) to fund the 2008 Debt Service Reserve Fund, the 2008 Depreciation Fund and the 2008 Contingent Fund as provided in Section 16 hereof.

(c) The rates, fees and charges for the use and service of the System at the Closing will be sufficient to satisfy the requirements of the preceding paragraph.

(d) If the Revenues in any Fiscal Year as shown by the City's audit are less than the total amount set forth in subsection (b) of this Section, then it shall, as promptly as possible, request the Consulting Engineers to make recommendations as to a revision of such rates, fees and charges or methods of operating the System which will result in producing the required amount in the following Fiscal Year. Upon receipt of such recommendations the City shall, subject to applicable requirements imposed by law, immediately revise such rates, fees and charges and take such other actions respecting the methods of operation of the System as shall in its discretion be deemed necessary.

(e) As long as any of the Series 2008 Bonds shall remain outstanding and unpaid, the City shall carry and maintain all risk insurance upon all the properties forming a part of the System which may be of an insurable nature, such insurance to be of the type and kind and for such amount or amounts as carried and maintained by other municipalities rendering services of a similar character in similar communities. The proceeds of all such insurance shall be used only for the maintenance and restoration of the System, or for the payment of the principal of and the interest on the Series 2008 Bonds.

(f) The City shall set up and maintain a proper system of accounts showing the amount of Revenues received from the System and the application thereof. Such accounts shall be separate and distinct from the other accounts of the City, and at least once a year shall be properly audited by independent auditors who shall be certified public accountants. The report of such audit shall be open to the public and to all Registered Owners upon reasonable request.

(g) The Registered Owner of any of the Series 2008 Bonds shall be permitted, at all reasonable times, to inspect the System and all records, accounts and data relating thereto, and shall be furnished all data and information relating to the System which may be reasonably requested.

(h) Except as provided for in Section 23(b) of this resolution, the City will not create or permit to be created any charge or lien on Revenues ranking equal or prior to the charge or lien of the Series 2008 Bonds.

SECTION 21. Prior to the commencement of each Fiscal Year, the Governing Body shall cause to be prepared a budget setting out the estimated receipts and expenditures of the System for the then ensuing Fiscal Year. This budget shall contain:

(a) An estimate of the receipts expected to be derived from the operation of the System;

(b) A statement of the estimated cost of operating the System during the next ensuing Fiscal Year;

(c) A statement of the amount of principal and interest due during the ensuing Bond Year;

(d) A statement of what replacements to the System may be anticipated and the estimated cost thereof;

(e) A statement of the total amount anticipated to be payable from Revenues during the next ensuing Fiscal Year; and

(f) A statement of the amount on deposit in each of the funds referred to in Section 16 of this resolution.

SECTION 22. (a) In order to insure the efficient and economical operation of the System and to insure the proper maintenance thereof in an efficient working order, the City covenants, as a part of the contract to be evidenced by the Series 2008 Bonds, that it will employ, while any of the Series 2008 Bonds are outstanding, independent engineers or engineering firms having a favorable reputation for skill and experience in such work, such engineer or engineering firm to act as Consulting Engineers for the operation and maintenance of the System. The Consulting Engineers employed to supervise the Project shall continue to be employed under this Section 22 until further action by the Governing Body. The compensation of the Consulting Engineers shall be deemed to be an expense of operating the System and shall be payable from Revenues.

(b) It shall be the duty of the City with advice from the Consulting Engineers annually to inspect the System prior to the commencement of each Fiscal Year and to file a report with the Clerk prior to the commencement of each Fiscal Year, setting out the condition of the physical plant of the System and any recommendations which such the Consulting Engineers shall deem to be advisable. Such report shall include the following:

(i) Advice and recommendations concerning the maintenance, repair and operation of the System.

(ii) Advice and recommendations as to renewals or replacements of any part of the System.

(iii) Advice and recommendations as to extensions of the System.

(iv) The estimated cost of any recommended renewals, replacements or extensions to the System.

(v) Advice and recommendations concerning the amount and character of insurance that should be carried on the System.

(vi) Advice and recommendations concerning any revision of the rates to be charged for the services of the System.

(vii) A statement of the judgment of the City with advice from such Consulting Engineers concerning whether the System had been maintained in good repair and operating order, with such suggestions as such Consulting Engineers may deem advisable concerning changes in the methods of operating the System.

(c) The City covenants with the Registered Owners that if the report of the Consulting Engineers shall show that the System has not been maintained in good repair and operating condition, it will, from available Revenues and from the 2008 Depreciation Fund and, to the extent applicable, the 2008 Contingent Fund, promptly restore the System to good repair and operating condition; that all recommendations of said report shall receive impartial consideration by the Governing Body; and that the City and the Governing Body shall endeavor in good faith to carry out the recommendations that may be made by the City with advice from the Consulting Engineers.

SECTION 23. (a) Except as hereafter set forth in subparagraph (b) below, from and after the issuance of the Series 2008 Bonds, no Additional Bonds shall be issued or obligations incurred by the City which are payable in whole or in part from or chargeable to Revenues (except obligations incurred in the operation and maintenance of the System), unless such Additional Bonds or obligations are in all respects junior and subordinate to the Bonds.

(b) The City shall have the right to issue one or more series of Additional Bonds to be secured by a parity lien on and ratably payable from Net Revenues and any other security pledged to the Bonds, provided in each instance that:

(i) the Net Revenues available for payments of principal and interest on the Bonds for a period of 12 consecutive months during the 18 months preceding the month in which such Additional Bonds are issued must be certified by an accountant to have been at least equal to 110% of the highest annual debt service payments in any succeeding Bond Year with respect to the Bonds and the Additional Bonds proposed to be issued; or in lieu of the foregoing formula, if a new schedule of rates, fees and charges

for the services, facilities and commodities of the System shall have been adopted, then the Revenues available for debt service payments (taking into account such new rates) must be certified by an accountant to have been at least equal to 125% of the highest annual debt service payments in any succeeding Bond Year with respect to the Bonds and the Additional Bonds proposed to be issued during the period set forth above;

(ii) the pledge of and lien on the Net Revenues and amounts on deposit from time to time in the 2008 Construction Fund and the 2008 Bond and Interest Fund shall be extended for the benefit of the registered owners of the Additional Bonds; and

(iii) the resolution under which the proposed bonds are being issued shall provide for the funding of an increase in the 2008 Debt Service Reserve Fund resulting from the issuance of such Additional Bonds from the proceeds of such Additional Bonds or as otherwise allowed by Section 16(b)(ii).

(c) The City hereby covenants and agrees that in the event Additional Bonds in one or more series are issued on parity with the Bonds, it shall:

(i) Adjust the deposits into the 2008 Bond and Interest Fund in the following manner: On the first business day of each month, commencing in the first month after the delivery of the Additional Bonds, there shall be deposited into a subaccount in the 2008 Bond and Interest Fund designated 2008 Current Debt Service Account an amount which, after taking into account any amounts already on deposit and equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the Bonds and the Additional Bonds is due.

(ii) Adjust the amount on deposit in the 2008 Debt Service Reserve Fund to a sum equal to the Debt Service Reserve Fund Requirement as calculated for the Bonds and such Additional Bonds. The additional funds required in the immediate preceding sentence shall be funded from the proceeds of the Additional Bonds or as otherwise allowed by Section 16(b)(ii).

(iii) Adjust the maximum amounts to be deposited annually into the 2008 Depreciation Fund and the 2008 Contingent Fund, taking into account the future replacement cost of the facilities and equipment to be constructed or acquired with the proceeds of such Additional Bonds, by depositing into said funds on the first business day of each month, commencing in the first month after the delivery of such Additional Bonds, such amount, if any, of the balance remaining after making the deposits under clauses (i) and (ii) above (or the entire balance if less than the required amount) as is required by the resolution under which such Additional Bonds are issued.

(d) The City shall have the right to call, subject to the call provisions of the respective Bond series, any or all outstanding Bonds which may be called at par prior to calling any Bonds that are callable at a premium. If it is provided in any subsequently issued series of Additional Bonds secured by a parity lien on Net Revenues that excess moneys in the 2008 Bond and Interest Fund shall be used to redeem bonds in advance of scheduled maturity or if the City, at its option, undertakes to redeem outstanding Bonds in advance of scheduled maturity, it is agreed and understood that:

(i) calls of or prepayment on Bonds will apply to each series of Bonds on an equal pro rata basis (reflecting the proportion of the original amount of each series of Bonds outstanding at the time of such call); and

(ii) calls of Bonds for each Bond series will be in accordance with the call provisions of the respective Bond series.

(e) The City may issue bonds junior and subordinate to the Bonds and any Additional Bonds at any time, provided that the issuance of such bonds does not violate any covenant of the City concerning any of its then outstanding Bonds.

SECTION 24. (a) The provisions of this resolution shall constitute a contract between the City and the Registered Owners from time to time of the Series 2008 Bonds, and after the

issuance of the Series 2008 Bonds no changes, additions or alterations of any kind shall be made hereto in any manner except upon consent of the Registered Owners of at least sixty-five percent (65%) in principal amount of the Series 2008 Bonds then outstanding, such consent to be evidenced by an instrument or instruments signed by such Registered Owners and duly acknowledged in the manner of a deed for the conveyance of real estate in the State. Such instruments shall contain or be accompanied by proofs of ownership of specified numbers and principal amounts of the Series 2008 Bonds, shall be filed in the office of the Clerk and shall be a public record.

(b) Any and all modification or alterations made in the manner hereinabove provided shall not become effective until the required consents shall have been filed with the Clerk.

(c) No modifications or alterations to this resolution shall extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation to pay the principal of or the interest on any of the Series 2008 Bonds at the time and place and at the rate and in the currency as provided herein, without the express consent of the Registered Owner of any of such Series 2008 Bonds, nor reduce the percentage of the Series 2008 Bonds required for the affirmative vote or written consent to a modification or alteration, nor alter or impair the covenants set forth in Sections 19, 20 and 22 hereof.

SECTION 25. The Series 2008 Bonds shall be payable equally and ratably, without regard to the date when the Series 2008 Bonds actually shall be delivered and shall enjoy parity of lien, one with the other, upon Net Revenues and with the Series 1996 Bonds, the Series 2003 Bonds, the Series 2004 Bonds, the Series 2006 Bonds and the Series 2007 Bonds.

SECTION 26. (a) Principal proceeds in the amount of Three Million Four Hundred Fifty Thousand Dollars (\$3,450,000) derived from the sale of the Series 2008 Bonds, less amounts deposited to the 2008 Contingent Fund, the 2008 Depreciation Fund and the 2008 Debt Service Reserve Fund, shall be deposited in the 2008 Construction Fund hereby created by this resolution and shall be applied solely and only for the purpose for which the Series 2008 Bonds are herein directed to be issued for the Project.

(b) Said proceeds deposited into the 2008 Construction Fund shall be disbursed only upon proper warrant issued pursuant to certification by the Consulting Engineers stating that:

(i) the purpose for which the payment is to be made is a Cost of the Project within the scope of the work contemplated by this resolution;

(ii) the work done is, or the materials furnished are, in accordance with the contract therefor (if such work is done or such materials are furnished under a contract), or such work is or that such materials are suitable for the intended purpose (if such payments are not covered by an express contract); and

(iii) the amount of such payment is in accordance with the contract or is reasonable.

NOTHING HEREIN SHALL BE CONSTRUED TO PROHIBIT THE PAYMENT FROM THE 2008 CONSTRUCTION FUND WITHOUT SUCH A CERTIFICATE OF A PORTION OR ALL OF THE EXPENSES NECESSARILY INCIDENT TO THE COSTS OF ISSUANCE AND SALE OF THE SERIES 2008 BONDS. SAID COSTS OF ISSUANCE EXPENSES APPROVED BY THE CITY ARE HEREBY AUTHORIZED TO BE PAID AT CLOSING WITHOUT FURTHER AUTHORIZATION OR APPROVAL OF THE GOVERNING BODY.

(c) Any balance remaining in the 2008 Construction Fund after the Project has been completed, and all related costs and expenses paid, shall be deposited into the 2008 Bond and Interest Fund and expended in accordance with State and federal law and this resolution.

SECTION 27. (a) The Registered Owner of any of the Series 2008 Bonds may, by suit, action, mandamus or other proceedings at law or in equity, enforce and compel performance by the appropriate official or officials of the City of any or all acts and duties to be performed by the City under the provisions of the Act and of this resolution.

- (b) Each of the following constitutes an event of default under this resolution:
- (i) failure by the City to pay any installment of principal of any Bond at the time required;
 - (ii) failure by the City to pay any installment of interest on any Bond at the time required;
 - (iii) failure by the City to perform or observe any other covenant, agreement or condition on its part contained in this resolution or in the Series 2008 Bonds, and the continuance thereof for a period of sixty (60) days after written notice thereof to the City by the Registered Owners of not less than ten percent (10%) in principal amount of the then outstanding Bonds; or
 - (iv) filing by the City of a petition seeking a composition of indebtedness under the federal bankruptcy laws, or under any other applicable federal or state law.

(c) If there be any default in the payment of the principal of and interest on the Series 2008 Bonds, any court having jurisdiction in the proper action may, upon petition of the Registered Owners of a majority in principal amount of the Series 2008 Bonds then outstanding, appoint a receiver to administer and operate the System with power to fix rates and collect charges sufficient to provide for the payment of the Series 2008 Bonds and to pay the expense of operating and maintaining the System in conformity with the provisions of the Act and of this resolution.

SECTION 28. At least five (5) days prior to the due date thereof, the Clerk of the City shall remit to the Paying Agent the sum or sums then becoming due as interest, or principal and interest, on the Series 2008 Bonds, plus the sum then due as the charges of the Paying Agent for its services and responsibilities under the terms of this resolution, which charges shall be expenses of operation and shall be charged to and payable from the Operation and Maintenance Fund referred to in Section 16 of this resolution.

SECTION 29. The Series 2008 Bonds have been submitted to validation before the Chancery Court of Lafayette County, Mississippi as provided by Sections 31-13-1 to 31-13-11, Mississippi Code of 1972, as amended, and for that purpose the Clerk is hereby authorized and directed to transmit to the State's Bond Attorney a certified copy of all of the legal papers pertaining to the issuance of the Series 2008 Bonds, including transcripts of records, resolutions, proofs of publication, tabulation or votes, if applicable, and all facts pertaining to the issuance of the Series 2008 Bonds.

SECTION 30. If the City shall pay or cause to be paid to the Registered Owners of the Series 2008 Bonds the principal of, premium, if any, and interest to become due with respect thereto at the times and in the manner stipulated therein and herein, and if the City shall keep, perform and observe all and singular the covenants and promises in the Series 2008 Bonds and in this resolution expressed as to be kept, performed and observed by it or on its part and shall pay or cause to be paid to the Paying Agent all sums of money due or to become due according to the provisions hereof, then the rights of the Registered Owners under the Resolution shall cease, determine and be void, and thereupon the lien of this resolution on Net Revenues shall be defeased, cancelled and discharged.

SECTION 31. The City hereby covenants that it will not make any use of the proceeds of the Series 2008 Bonds or do or suffer any other action that would cause: (i) the Series 2008 Bonds to be "arbitrage bonds" as such term is defined in Section 148(a) of the Code; (ii) the interest on the Series 2008 Bonds to be included in the gross income of the Registered Owners thereof for federal income taxation purposes; or (iii) the interest on the Series 2008 Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code.

SECTION 32. The City represents as follows:

(a) The City shall timely file with the Internal Revenue Service, such information report or reports as may be required by Section 148(f) and 149(e) of the Code;

(c) The City shall take all necessary action to have the Series 2008 Bonds registered within the meaning of Section 149(a) of the Code; and

(d) The City will not employ any device or abusive transaction with respect to the investment of the proceeds of the Series 2008 Bonds.

SECTION 33. The City hereby covenants that it shall make, or cause to be made, the rebate required by Section 148(f) of the Code by fully complying with the terms and provisions of the Arbitrage Rebate Agreement.

SECTION 34. The City shall not hereafter construct, acquire or operate, or permit, or, to the extent permitted by law, consent to the construction, acquisition or operation of, any plants, structures, facilities or properties which may compete or tend to compete with the System; except that nothing in this resolution contained shall prevent the City from giving its permission or consent to the construction, acquisition or preparation in the area serviced by the System by a Person or facilities for the provision of water and sewer services which the City shall determine are not economically feasible for it to construct or acquire at such time, but which, if constructed or acquired by the City, would carry out the purposes of the City and its System under the Act and such facilities pursuant to the terms of such permission or consent will become a part of the System upon notice to such person by the City, either (a) without any cost to or payment by the City, or (b) upon payment of such amount or cost as the City shall determine to be proper in the circumstances.

SECTION 35. The City covenants that it will (a) diligently enforce and collect all fees, rental or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the laws of the State, and (b) to the full extent permitted by law, under reasonable rules and regulations, shut off and discontinue the supplying of the services and facilities of the System for the non-payment of fees, rentals or other charges for said water services, and will not restore said water services until all delinquent charges, together with interest and reasonable penalties, have been paid in full.

SECTION 36. The Governing Body hereby designates the Series 2008 Bonds as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code. The City (including any subordinate entity or entities issuing tax exempt obligations on behalf of the City within the meaning of Section 265(b)(3) of the Code) has not issued, and does not reasonably expect to issue, tax exempt obligations within calendar year 2008 which, together with the Series 2008 Bonds, will exceed \$10,000,000.

SECTION 37. Pursuant to SEC Rule 15c2-12(b)(5), the City covenants and agrees to provide to the Purchaser a continuing disclosure agreement, dated the date of issuance and delivery of the Series 2008 Bonds, setting forth the City's agreement with regard to continuing disclosure (the "Continuing Disclosure Agreement"), and to comply with the covenants set forth therein and carry out all of the provisions of the Continuing Disclosure Agreement. In the event the City fails to comply with the provisions of the Continuing Disclosure Agreement, any Registered Owner may take such actions as may be necessary and appropriate, including mandamus or specific performance by court order, to cause the City to comply with its obligations set forth in the Continuing Disclosure Agreement and this Section 37.

SECTION 38. The City covenants that it will not provide free service to any user of the System unless permitted by State statute.

SECTION 39. It is specifically provided, notwithstanding the date set out in this resolution for the date of the Series 2008 Bonds and the payment dates for principal and interest, that in the event the delivery of the Series 2008 Bonds is delayed by a contest of the validation of the Series 2008 Bonds or otherwise and the Purchaser shall decline to take delivery of the Series 2008 Bonds, then the Series 2008 Bonds may be reoffered for sale. In such event, all principal maturities may be adjusted so that such maturities will fall due in the same amounts and intervals as herein provided, but beginning one (1) year from the actual date of the Series 2008 Bonds as provided by the subsequent resolution directing the offer for sale thereof and continuing through the twentieth (20th) year from such actual date of the Series 2008 Bonds. The interest payments may also be adjusted accordingly, with interest payments due semiannually, commencing twelve (12) months from such actual date of the Series 2008 Bonds. After the validation of the Series

2008 Bonds, no amendment, revision or supplement contemplated by this Section 39 shall be cause for the re-submission of the proceedings for the issuance of the Series 2008 Bonds, as amended, revised or supplemented, to any further validation proceedings, it being the intent of this resolution that any such amendments, revisions or supplements be covered by the initial validation proceeding.

SECTION 40. _____, _____, Mississippi is hereby appointed Paying Agent for the Series 2008 Bonds.
